AMSOIL and the "Oil Twins" are proud to become track sponsors at Perris Auto Speedway. To celebrate our first year sponsoring the track, we are offering a starter sponsorship package to all racers.

To participate in the program, purchase AMSOIL products at wholesale for your race vehicle directly from the "Oil Twins". Run an AMSOIL sticker visible on each side of the race vehicle.

Are you experiencing break downs? Need help in determining if the problem is lubricant related? We have solutions. As a part of the sponsorship, we will provide technical assistance and help your team choose the products that are right for you.

Participation Rules:

- Purchase AMSOIL products from the "Oil Twins" at wholesale, saving over 25% off of retail.
- Display provided AMSOIL 13" color logo stickers on both sides of race vehicle in plain view, not in the wheel wells. No oil / lubricant competitor stickers allowed on vehicle.
- Offer does not apply to current AMSOIL Dealers, Preferred Customers, or registered accounts in accordance with AMSOIL policy. Contact Casey or Andy for details.
- Shipping is not charged if product is picked up at race or from the servicing dealer.
- Technical service will be provided from trained and certified AMSOIL Dealers to assist you with lubricant related issues.
